

Dear Local Business Owner:

On behalf of the Chambersburg Area Volleyball Express (CAVE) organization, we would like to ask you to consider a monetary sponsorship for the 2023-2024 season.

We are an organization whose goal is to build the strongest girls' volleyball organization in the area. We are seeking the support of our community to help us achieve that goal. Currently, we have a 13U, 14U, two 15U, 16U, 17U, and 18U teams comprised of girls ranging in ages of 13–18 years old. These young women have a true passion for volleyball and through the CAVE organization, they continue to master their skills on the volleyball court, as well as develop confidence and integrity that will help them to become successful members of our community. All monetary sponsorships will be used to solely support the players.

If you are interested in offering your financial support by being a business sponsor, please complete the enclosed sponsorship form. With your donation, your business name will be displayed on our website.
